

MAKING YOUR DREAMS A REALITY

## FITTING INSTRUCTIONS

### TYLY-0379

### Paddock Stand Brackets, Ninja ZX-4R(R)

Fitting the TYGA TYLY-0379 Paddock Stand Brackets, Ninja ZX-4R(R) is not a big job, with only regular tools required.

**1)** Remove the swingarm end caps that control the chain adjuster screws with the end caps from the bracket set. This is simply plug and play.

**2)** Next, offer up the paddock stand bracket and secure using the supplied M8 button head bolts. One to the original paddock stand threaded boss and the other to the M8 threaded hole in the swingarm end cap.

3) Now repeat on the other side.

4) Torque the M8 button head bolts to 24Nm and you're good to go. Enjoy!
